

L'oeuf Poché

#### About the Designer / Collection:

Ami started her career in accounting, a world far away from fashion! However, she had always been fascinated by the fashion industry. She started to pursue a Certificate in Fashion Design at the Otis School of Art and Design in Los Angeles at night and on weekends while working during the day. Last year, she came to realize her dream and launched L'Oeuf Poché.

Our philosophy is to offer fashion forward tennis and activewear to the modern woman. Our collection embodies classic lines and shapes with fashion flair in details. We also pride ourselves in the thought and care we put into the production of each garment. Each piece is made in the U.S. with much care under ethical working conditions.

#### What does L'Oeuf Poché mean?

L'Oeuf Poché means The Poached Egg in French. L'Oeuf is said to be the origin of the term "love" in tennis because eggs resemble a zero. Poach is also a tennis term, which is used to describe a play in doubles where the player at the net crosses the court to volley a shot intended for his/her partner. High risk, high reward!
