

L'oeuf Poché
tennis & activewear for women

2016

About the Brand:

L'Oeuf Poché's philosophy is to offer fashion forward tennis and activewear to the modern woman. Our collection embodies classic lines and shapes with fashion flair in details. We also pride ourselves in the thought and care we put into the production of each garment. Each piece is made in the U.S. with much care under ethical working conditions.

2016 Collection:

We have 3 groups in our 2016 collection: Seersucker, Dots Mesh and Blue/White Stripes. The seersucker collection includes our most popular styles: the Cinched Bust Racerback and the Ruffle Skort. This collection has seersucker accents that are timeless and classic. The Dots Mesh collection uses an elegant and beautiful dots print fabric as trims. The Blue/White Stripes collection, our newest collection, uses a blue stripes or all white trim that has a very crisp and clean look.

What does L'Oeuf Poché mean?

L'Oeuf Poché means The Poached Egg in French. L'Oeuf is said to be the origin of the term "love" in tennis because eggs resemble a zero. Poach is also a tennis term, which is used to describe a play in doubles where the player at the net crosses the court to volley a shot intended for his/her partner. High risk, high reward!
